*Your purchases help support conservation programs within the county. Thank you!*

- New Hampshire raised rainbow and brook trout are available in two sizes: 6"-8" & 10"-12".
- Please note that for 2024 brook trout are only available in 6"-8"
- **6"-8" trout must be purchased in sets of 25 and picked up on April 20th.**
- **10-12" trout orders are a 50 fish min (50+ orders do not need to be ordered in sets). They will be delivered to your pond on Saturday April 20th, 2024.**
- **Orders containing both 10"-12" and 6"-8" fish, will be delivered to your pond.**
- Sizes and species cannot be mixed to meet minimum purchase requirements.
- Trout must be released into your pond ASAP.
- Trout come from a NH based hatchery that is licensed and inspected annually.
- Deliveries for any order of 10"-12"trout, will be **Saturday, April 20th, between 8am-5pm. Exact location of the pond must be given for deliveries (include any relevant location details below or on the back of the form).**
- A contact number is **required**. RCCD or the hatchery may need to contact you if there are any questions regarding the order or updates on the day of the delivery.

**Visit our website [www.rockinghamccd.org/trout-sale](http://www.rockinghamccd.org/trout-sale) for more information about habitat requirements or to place an online order!**

To pay by mail, detach and use form below. Checks payable to RCCD
