

TOWN OF BRENTWOOD

Special Permit to Construct a Sewage Disposal System

Owner Name _____ Tel # _____

Mailing Address _____

Property Location _____ Tax Map Lot # _____

A replacement septic system at the above location is being approved under the Zoning Regulation:

- Article 400.005.012 Requirement for Setting Septic System
- Article 700.003.003 Septic System Design Installation, Section (F)

I hereby certify that: (A) the proposed system entails no expansion or change of use and is a replacement of the system previously occupying the lot: (B) the previous system shall be discontinued. Only the proposed system shall be used once initial function is established: and: (C) the design of the system shall comply with New Hampshire WSPCD rules in effect at the time of approval, including waiver of these rules by the State permitting authority.
